# YOUR VISION, REALIZED

From stone pathways to gently layered rooflines, The Setai, St. Maarten is designed to rest lightly on the land. Buildings remain low and considered. Materials are drawn from local sources. The natural pace of the island sets the rhythm for daily life.

A 30,000-square-foot spa invites restoration. A private dock offers discreet arrival. The atmosphere remains calm, composed, and intentionally quiet. What emerges is a place that asks little, yet gives generously through space, ease, and a lasting sense of retreat..
